## POLICY STATEMENT REGARDING EXPERIMENTAL WASTEWATER DISPOSAL SYSTEMS

---

The following policies have been adopted for rev permits, and conducting inspections of Experimental Wa Systems.

### I. SPECIFIC REQUIREMENTS:

1. Experimental Wastewater Systems may be utilized where regulations prohibit the use of the regular conventional systems.

2. The lot size must contain at least 40,000 square feet of be sufficient land to install a replacement system if needed.

3. Experimental systems will not be considered subdivisions where lot sizes are less than five acres. A subdivision that has 40,000 square feet or more may be considered a subdivision.
